PERSONAL PROFILE

I am an Information Technology student at the Sri Lanka Institute of Information Technology (SLIIT). I am mostly interested in web design and development. I am delighted to be starting a career in information technology as a dedicated IT student with a passion for technology and problem-solving. I am eager to apply my skills and knowledge to make a positive impact on the IT industry and the organization I will work for. I am also open to new challenges and opportunities to grow as a professional.
